Callie Press : Literary Arrhythmia: Smutpunk Poetry before purchasing it in order to gage whether or not it would be worth my time, and all praised Literary Arrhythmia: Smutpunk Poetry:

1 of 1 people found the following review helpful. Hitler, God, Jesus, the Virgin Mary, and a boy named Sue By MJFirst and foremost, there are not enough smutpunk poets. Now, we have Callie Press in her debut poetry book (that we know of. Who knows what lurks under pen names!). If you like witty limericks with public characters in supine and submissive positions you'll love this book. It features ****SPOILER**** Hitler, God, Jesus, the Virgin Mary, and a boy named Sue, I think. If Sue isn't there, he should be. I think Don Von Bulge makes a cameo and each limerick is rhythmic and the cadences cadence as they should neatly in iambic pentameter. Callie is a solid poet, and a few of these poems are so good they make the whole book, even if I didn't vibe with a couple. But it's poetry. I'm not supposed to like, get, or tickle every single one. Do these poems mean something? I hope not. Are they fun and accessible, hellstotheYEAH. So light up your kindle and smoke a few of these bad skinny white gurlz before they get so popular that the price will have to be raised.

Smutpunk doggerel, poetry, and haiku about sex, life, orgasms, despair, sex, and blasphemy.

First and foremost, there are not enough smutpunk poets. Now, we have Callie Press in her debut poetry book (that we know of. Who knows what lurks under pen names!).
